The 2nd International Conference on Recent Advances Mathematics and Informatics
IEEE-ICRAMI 2025
Nov 20-23, 2025, Sousse

CALL FOR PAPER

The purpose of the International Conference on Recent Advances in Mathematics and Informatics (**ICRAMI '2025**) is to provide an excellent forum for addressing and discussing a variety of crucial themes and aspects related to Mathematics and Informatics and its applications. We believe that this event will provide an opportunity to learn from one another, exchange ideas, and explore innovative ways to shape the future of AI.. In addition to oral presentations and poster sessions, an innovation exhibition in this event will provide an opportunity for students to showcase their innovative products.

Submissions

Authors are invited to prepare extended abstracts or full papers. The initial submission for review will be limited to 08 pages, including references, figures and tables. In order to increase high quality papers and independent merit, the evaluation process is double blind. Important Note for Double blind review policy: The papers submitted for review MUST not contain the authors' names, affiliations, or any information that may disclose the authors' identity (this information is to be restored in the camera-ready version upon acceptance). Please replace author names and affiliations with Xs on submitted papers. In particular, in the version submitted for review please avoid explicit auto-references, such as "in [1] we show" — consider "in [1] it is shown". I.e., you may cite your own previous works provided that it is not deducible from the text that the cited work belongs to the authors. When citing your previous work, please keep the names with Xs.

Please log in the Electronic Submission System to submit your paper (.doc or.pdf format), conference website: https://icrami.sciencesconf.org/. For any inquiry about the submission and conference, please feel free to contact us via E-mal: papers.papers.icrami@gmail.com,

PUBLICATION

All accepted and registered papers of ICRAMI'2025 will be published in conference abstracts proceedings with ISBN. The proceedings of full IEEE indexed papers will be indexed in IEEE, which is indexed in multiple leading databases. Extended versions of selected best papers will be recommended for publication in supporting prestigious international journals (to be announced).
